INDEPENDENT ACCOUNTANT'S REVIEW REPORT

Board of Directors and Members Canyon Crest Academy Foundation, Inc.

Report on the Financial Statements

I have audited the accompanying financial statements of Canyon Crest Academy Foundation, Inc., which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Canyon Crest Academy Foundation, Inc. as of June 30, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

CANYON CREST ACADEMY FOUNDATION, INC. NOTES TO FINANCIAL STATEMENTS JUNE 30, 2017

NOTE 1. NATURE OF ORGANIZATION

Canyon Crest Academy Foundation, Inc. ("the Organization") was incorporated on March 10, 2004 under the general non-profit laws of the State of California. The mission of the Organization is to partner with students, parents, and staff to facilitate community involvement and provide financial support for the Canyon Crest Academy's educational programs and priorities. Located in San Diego, California, the Organization solicits funds from businesses, parents, and the educational community for high school programs including academics, arts, athletics, and technology.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method

The Organization utilizes the accrual method of accounting for financial statement presentation, in accordance with accounting principles generally accepted in the United States of America.

Revenue Recognition

Revenue from donations, fundraisers, etc. are available for general use unless specifically restricted by the donor. Other than promises to give, revenues from donations are not recognized until received.

Donated Services

A number of businesses and unpaid volunteers have made significant contributions of time to the Organization's fundraising and operations. Contributed services are recorded at fair value at the date of donation only if the services (a) create or enhance nonfinancial assets, or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. During the year, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

Basis of Presentation

Financial Statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, restricted, and permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Restricted Support and Net Assets

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are satisfied within the same reporting period, are reported as unrestricted support in the period.

CANYON CREST ACADEMY FOUNDATION, INC. NOTES TO FINANCIAL STATEMENTS JUNE 30, 2017

Property and Equipment

Office furniture, fixtures, and equipment have been recorded at cost if purchased or at fair market value at the time of donation. The Organization's policy is to capitalize acquisitions of property and equipment in excess of \$500. Depreciation is provided over the estimated useful lives of the respective depreciable assets on a straight-line basis.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with initial maturity of three months or less to be cash equivalents.

Income Tax Status

The Organization has qualified for tax-exempt status under Internal Revenue Code Section 501(c)(3) and California Revenue Code Section 23701(d). The Organization has also been classified by the Internal Revenue Service as an entity that is not a private foundation within the meaning of Section 170(c)(2). Income for certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. No provision for income taxes has been made in the accompanying financial statements since there is no unrelated business activity.

The Organization recognizes the financial statement benefit of tax positions, such as its income tax exempt filing status, only after determining that the relevant tax authority would more likely than not sustain the position following an audit. The Organization is subject to potential income tax audits on open tax years by any taxing jurisdiction in which it operates. The statute of limitations for federal and California purposes is generally three and four years, respectively.

Allocation of Functional Expenses

The costs of providing the various programs have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 3. CONCENTRATIONS OF CASH & CASH EQUIVALENTS

The Organization maintains cash in several accounts in financial institutions which are insured by the Federal Deposit Insurance Corporation up to \$250,000. At times during the year cash balances may exceed this amount. At June 30, 2017, the Organization had \$598,400 in excess of the FDIC amount.

NOTE 4. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consist of the following at June 30, 2017:

| Quest | \$ 24,130 |
