

CANYON CREST ACADEMY FOUNDATION

A DOLLAR A DAY FOR CCA & SUGGESTED PROGRAM DONATIONS

As your student progresses through high school, funding from the CCA Foundation impacts their educational experience every day. From the first day of school, with state-of-the-art technology, science and language labs, and arts instruction found in your student's classrooms, to the last day of school, when your student receives a diploma provided by the CCA Foundation, generous parent donations contribute to an enriched and rewarding high school experience. With this in mind, we ask you now to please make a donation to the CCAF so we can continue serving the needs of your student. **More than ever, we need your 'A Dollar a Day for CCA' donation of \$180 per student to our general fund for basic academic needs this year.** Donors who make this Raven's Fund contribution will receive an appreciation gift. We ask you to consider starting with a \$180 per student donation to our Raven's Fund, and then add donations in designated categories, based upon the list below. Keep in mind the classes and experiences in which your student participates for both their Fall and Spring Terms.
