The Canyon Crest Academy Foundation is dedicated to the highest standards of integrity and is appalled by the production filmed on our campus that directly conflicts with our values and expectations for any activity conducted at Canyon Crest Academy.

While the specific nature of the production was not disclosed to us in advance – and the activities were in clear violation of our Use of Facilities License Agreement – we acknowledge that, as the permitting entity, we ultimately failed to ensure proper oversight.

On October 9<sup>th</sup>, 2025, we approved a facilities rental to an external production company based in New Hampshire. No inappropriate or concerning content was disclosed. Standard procedures were followed, including a signed contract with a show summary indicating PG-13 content, legal review on the production company's end, branding-removal requirements and independent security hired.

We are consulting with legal counsel to review what occurred and to determine appropriate next steps regarding the third party involved. To our Canyon Crest Academy community: We sincerely apologize for this incident. We are fully committed to implementing stronger internal protocols, enhanced review processes and additional safeguards to ensure that nothing like this happens again.

Sincerely,

Regina Twomey
